

Quality Control Inspector for a Machine Job Shop: Will be one of three inspectors in a close tolerance machine shop that runs prototype through production quantities located in Lynchburg, VA.. Our departments machine a wide range of materials ranging from aluminum to Inconel while holding tolerances as low as .0002". As an **Employee Owned Company (ESOP)**, each employee/owner benefits from their hard work. Therefore, we are looking for a self-motivated employee with a positive attitude to help grow the company while earning a good living. .

This is a full-time position with benefits. We offer medical, HSA or Flexible Spending health coverage, life insurance, dental, 401(k) & Roth, Profit Sharing, ESOP, PTO on major holidays, and tuition assistance. Please see our website for more details: www.lrpprecisiontooling.com .

Will inspect machined, fabricated or assembled parts or products for defects and deviations from specifications. Will use precision measuring instruments and complex inspection equipment to verify tolerances of as close as **plus/minus .0002"** . Will also prepare products for shipment and laser mark parts. **Overtime** is typically needed to keep up with production. This position will typically be for 40 to 50 hours a week, with overtime needed beyond that at times and occasionally a half day on Saturday to accommodate our customer workload.

This is a full-time position with benefits. We offer medical, HSA or Flexible Spending health coverage, life insurance, dental, 401(k) & Roth, Profit Sharing, ESOP, PTO on major holidays, and tuition assistance. Please see our website for more details: www.lrpprecisiontooling.com .

Minimum Requirements :

- High school diploma or GED
- A minimum of three (3) years experience in **Quality Control final inspections** or we will consider a candidate who has graduated from an accredited school with a Quality Inspection Degree.
- Experience with PC DMIS or equivalent software as used with CMM's (coordinate measuring machines).

Job Type: **Full-time**

Salary: \$14.00 to \$26.00 / hour based on skills and qualifications
